## INTRODUCTORY PROFILE

Creative Architecture graduate Architecture Assistant (Part II) with a passion for architecture. Cemented appreciation encompassing energy efficiency and environmentally-sustainable design as well as Passivhaus principles during recent studies while building skills needed to analyse how the built environment is perceived, inhabited and interpreted. Engaged at all levels on the cultural, theoretical, practical, political, environmental, economic and social issues relating to architecture. Highlights include:

- Improved skills encompassing feasibility studies, planning application preparation and construction / architectural drawings and building services schematics and layouts for diverse projects.
- Utilised a consultative approach to analyse and delineate requirements, develop briefs / project scopes as an Architectural Assistant.
- Adopted a research-based approach to the generation of design strategies and architectural proposals.
- Facilitated timely completion of ad-hoc functions, including gathering, analysing and disseminating feedback to develop proposals for approvals.
- Strong cultural awareness and multilingual skills (Turkish / English / Bulgarian / Russian) gained via a unique mix of European experience and love of travel.
- Technically-savvy; experienced user of Revit Architecture, AutoCAD, Sketch Up, Artlantis Studio, Lumion3D, Adobe Photoshop and Microsoft Office suite (including Excel for spreadsheet administration) – receptive to new and emerging technologies.

## CORE COMPETENCIES

Royal Institute of British Architects (RIBA) | Building Regulations | Architectural Design  
Drafting | Site Surveying | Organisation, Planning and Time Management | Attention to Detail  
Interpersonal Communication | Creative and Critical Thinking | Problem Solving | Feasibility Studies  
Versatility and Adaptability | Planning Application Processes | Health and Safety

## ACADEMIC HIGHLIGHTS

<b>M.Arch (Hons) Master of Architecture International (RIBA Part 2) PASS WITH DISTINCTION</b>	<b>2015-2017</b>
<b>BA (Hons) Architecture (RIBA Part 1)</b>	<b>2014</b>
<i>University of Huddersfield</i>	

- Gained ability to harness and promote conceptual awareness and practical skills in architectural design while building a 360-degree skill set covering initial concept design, development, planning and project proposals.
- Developed the qualities needed to record preliminary ideas, sketches and analysis, alongside design development, and technical research.
- Analysed history and theory of architecture and design, alongside theories about urban space.
- Resourcefully implemented engineering services into architectural design.

**Major: English Language and Literature / Minor: Russian Language and Mathematics**  
*English Language School, Geo Milev Ruse Bulgaria*

**2011**

## PROFESSIONAL EXPERIENCE

### Architectural Designer

2016-Present

*Project 1 Architectural Designs, Brighthouse*

- Contribute to design work and complete site visits.
- Facilitate design co-ordination and planning assistance.
- Engage with town planning authorities and clients.
- Complete research into construction materials and product suppliers.

### CAD Designer

2015-2016

*HCPVE UK, Brighthouse*

- Prepare, evaluate and amend designs and drawings; maintain meticulous levels of attention to detail to ensure data integrity.
- Draw drawings in alignment with blueprints, mark-ups and specifications.
- Support compliance procedures of drafting and engineering standards.
- Elicit and collate information regarding design specifications, materials and equipment.

### Architectural Assistant / Technician

2014-2015

*Remi Group Construction PLC, Varna, Bulgaria*

- Drew and presented architectural details on various CAD applications for diverse mix of projects, including: large-scale residential units and low rise commercial buildings.
- Produced and disseminated reports for site survey and feasibility studies.
- Collated information regarding design specifications, materials and equipment.
- Collaborated with external industry experts, conducive to performance excellence.
- Facilitated the timely completion of ad-hoc administration.
- Ensured CAD drawing compliance with strict quality standards.

### Receptionist

2012-2014

*Ashenhurst Student Villages, Sodexo Ltd*

- Consulted with clients to analyse and delineate their requirements and promote appropriately tailored solutions.
- Met, greeted and cultivated client relationships while overseeing reception operations.
- Screened, resolved and redirected incoming enquiries in alignment with strict service expectations.

### Energy Surveyor

2012

*Orick Marketing, Leeds*

- Completed domestic energy assessments; assessed property types as well as gas and electricity suppliers.
- Accurately calculated wall and loft insulation requirements.
- Prepared drawings and images on behalf of insulation company within deadlines.

### Summer Intern

2010

*Deytron Ltd, Varna, Bulgaria*

- Played an integral role supporting Technical department operations and company archives.
- Translated correspondence in English and Russian.
- Prepared information regarding design, specifications, materials and equipment.
